Pointe-à-Pitre, le 22 JUIN 2018

Dear M. McFadden,

I would like to take this opportunity to thank you and the entire team at Mac Maritime for the great work that you have done for Guadeloupe Port Caraïbes these past eight years. Your expertise proved invaluable from day one, and your guidance brought excellent returns for Guadeloupe Port Caraïbes year after year, helping us to grow and to reach objectives that would have seemed very optimistic just 10 years ago.

With your help, and through close collaboration with local stakeholders, cruising in Guadeloupe has grown by leaps and bounds since 2011. In that time, we've also managed together to raise Guadeloupe's profile and to strengthen the archipelago's position as a top Caribbean destination, creating a positive feedback loop for the cruising sector.

Guadeloupe Port Caraïbes has always appreciated your constant level of attention to our needs.

I wish you all the best in your endeavors and I look forward to working together again soon.

Very best regards,

Director of Strategy &
Business Development

Marc GAUTIER
